

St Ives Showground Complex

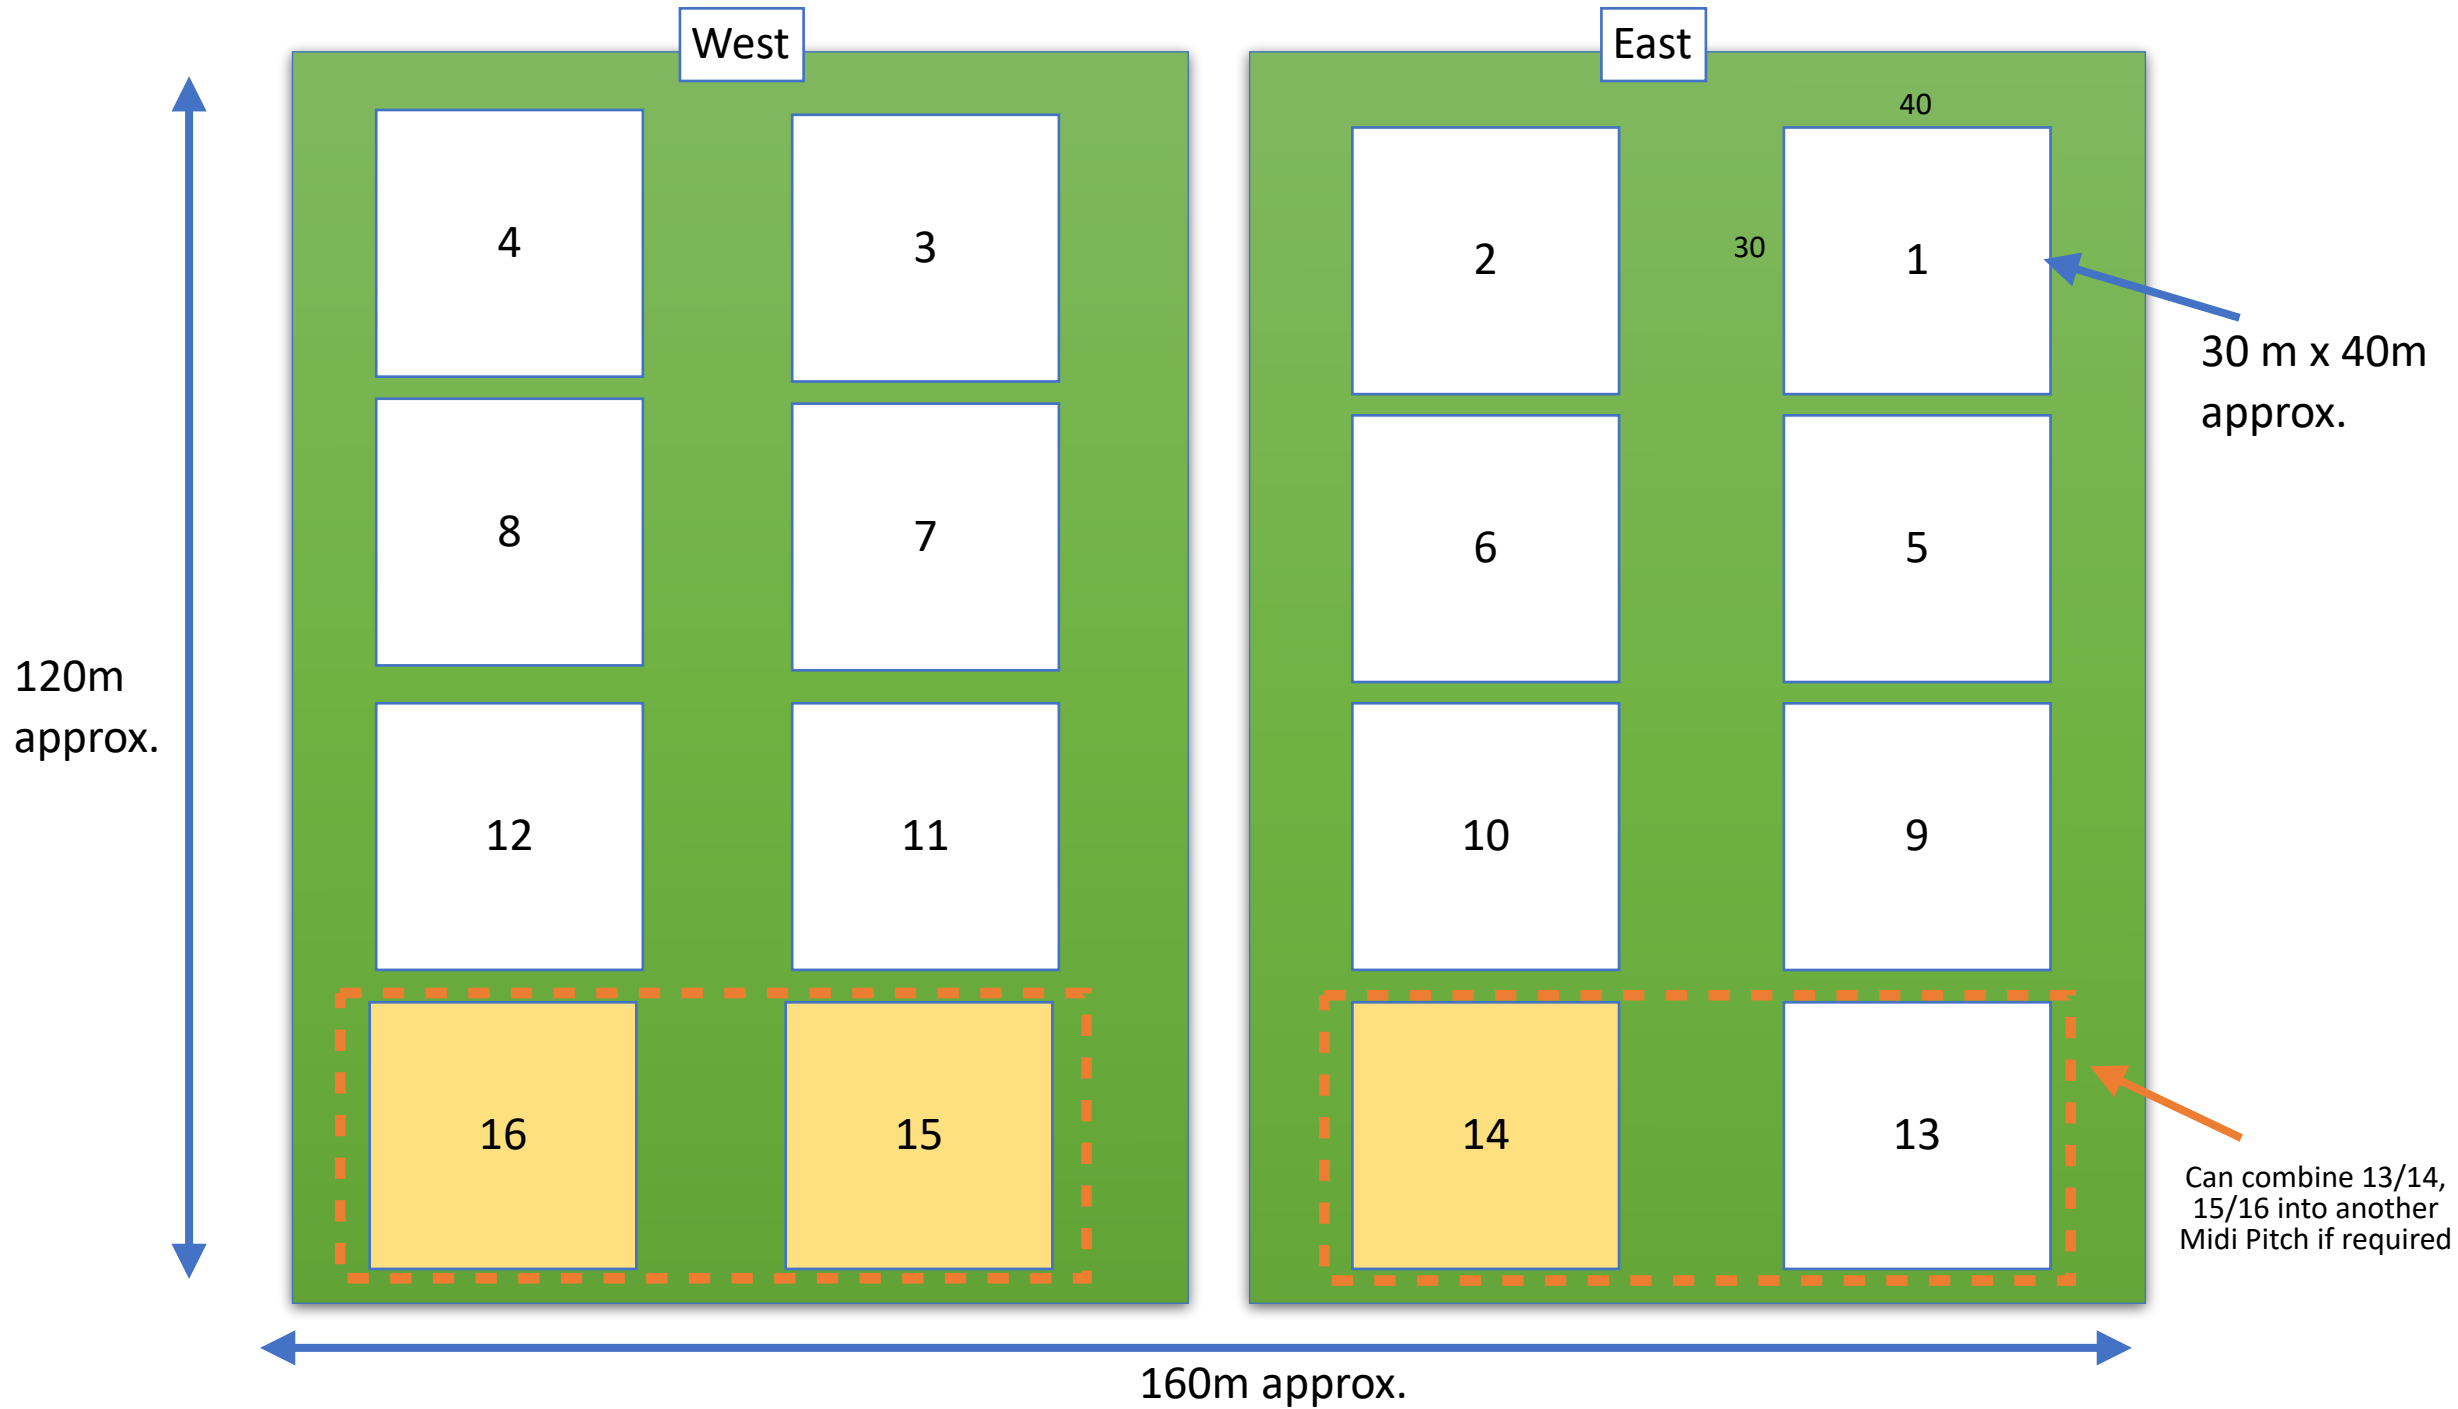

Each mini field and midi playing field have a recommended entry and exit.

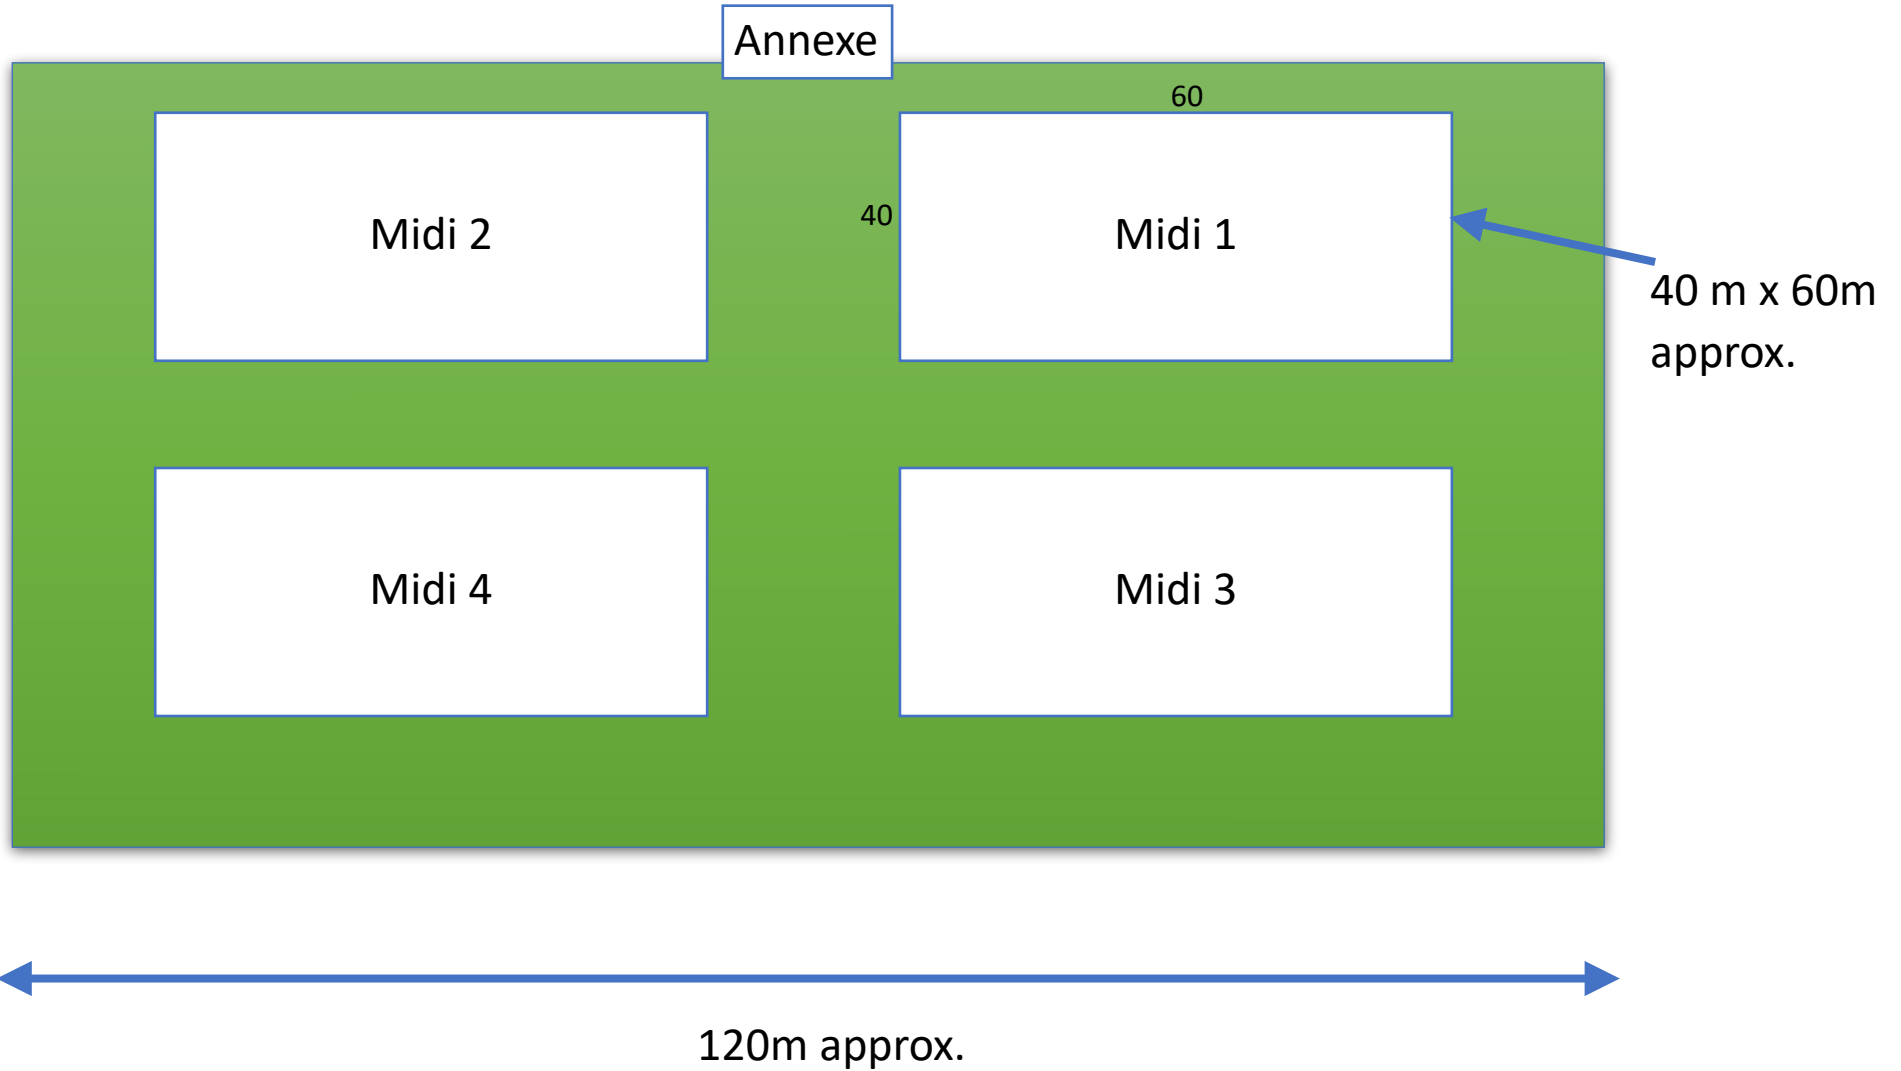

This will help with parking and safety concerns.

SAFETY:

- For the safety of the kids, PLEASE take extreme care when entering the grounds and collecting your children.
- Please adhere to the speed limit when driving in the Showground, it is not a racing track!
- Also note there is a one way system in force too (clockwise around the Showground)
- Be respectful to, and patient with other drivers
- There is also a running club and kids riding around the showground on bikes, so please slow down for everyone's safety.

Midi 4 will be used for GK training
